*Note: Monthly Service Fee includes the rental cost of the Subscriber Module Equipment (Xplornet retains ownership of equipment). As such, subscriber modules carry a limited lifetime warranty. If for any reason the customer cancels their service the customer is responsible for returning the equipment to Xplornet.

**Note: Actual speed online may vary with your technical configuration, internet traffic, server or other factors.

***Note: When compared to a standard dial-up modem speed of 40 kbps.

Enhanced Packages-Stronger connection. Less interference on a 3.5 frequency.

-Faster downloading of large files such as photo's, music and video.

-Not available on all towers.
